

# Big Brothers Big Sisters needs wrappers!

Big Brothers Big Sisters is back operating the wrapping booth in Pine Centre Mall. We are excited to be working with Pine Centre Mall and Hub City Volkswagen again this year and want to build on the success from last year's booth. Every gift we wrap helps raise money to support BBBS programming here in Prince George.

We know everyone had a great time wrapping gifts last year in the booth. We are hoping that you would like to volunteer your time once again wrapping gifts this year.

We have a schedule set up online for you to look at and pick which days and times work for you to volunteer. Sign up for as many shifts as you would like.
