## **CHECK OUT WHAT SOME OF OUR MEMBERS THINK**

**St Vincent de Paul** says "We use Volunteer Prince George often throughout the year. Our volunteers are the backbone to our ministry, to the needy at both the [drop in centre and Thrift store](#). Volunteer Prince George is an asset to volunteers and agencies in Prince George."

Tim Bennett Executive Director, [Big Brothers Big Sisters of Prince George](#)  
“**Big Brothers Big Sisters**’ mandate is to provide proactive mentoring programs to children and youth living in Prince George. As most of programs are 1:1 we require a large number of mentors each year. Volunteer Prince George is a part of recruitment plan as it allows us to spread our message to the entire community.”
