

Making Ourselves Matter Services Society

MOMSS offers a four-year life skills apprenticeship program for women. Volunteers are needed for guest speaking, event planning, fundraising, community promotions, grant and proposal writing.

To volunteer, contact making.ourselves.matter@gmail.com.

Canadian Mental Health Association

Canadian Mental Health Association Prince George Branch is looking for volunteers who are interested in forming a grant and fund raising committee for several projects we currently have on the go.

If you like grant writing or promoting, please consider joining our volunteer team. Previous experience is an asset but not necessary. Pick up application package from office.
