

## 27 Million Voices

We are seeking a Treasurer to join our Board. Previous experience with a non-profit society or charity would be a great asset. The Treasurer develops annual budgets, controls and reports on financial activities, and manages regulatory compliance and correspondence. As a director, you will participate in Board meetings and provide leadership to operational program, fundraising and administrative activities of the organization. As a volunteer, we understand the need for flexibility with your schedule, and that time commitments are brief, focused and manageable. You are a skilled professional and effective communicator, with the integrity to follow through with key commitments. You live and work in or near Prince George.
