

## VOLUNTEERS NEEDED!

Jim Good from Goodsir Nature Park is looking for some volunteers. I went the other weekend and helped mow the lawn in the main areas. I was going to go out this weekend to mow the trails but am now unable to. Most of the work that needs to be done is just winter prep, light duty stuff.

If you are interested in helping out, call (250) 971-2337. Serious inquires only. Jim let me know that out of dozens of people who gave their number and offered to volunteer, I am the only one who has actually gone out to help. Jim has recently had some heart troubles and is unable to do the maintenance work he usually does. So if anyone is willing to lend a helping hand to keep this amazing park in tip top shape, Jim would be thrilled!
